At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Abika A's Account). Below this, the main dashboard area is titled "Dashboard" and features several widgets. On the left, a "News" widget lists recent articles. In the center, there are three widgets: "Recent support cases", "Planned maintenance", and "IBM Cloud status". The "IBM Cloud status" widget shows a world map and indicates "No issues". At the bottom left, a "Usage" widget is partially visible. The right side of the dashboard has links for "Edit dashboard", "Upgrade account", and a prominent "Create resource" button.
